

Vocabulary

Give students the appropriate word list for each lesson and instruct them to use the words in discussions and writing assignments for reference and review.

Lesson 1 Day 1

solar system
Sun
axis
Earth

equator
hemispheres
atmosphere
continents

Lesson 1 Day 2

weather
hurricane

storm surge

Lesson 2 Day 1

hydrosphere
hydrogen
oxygen
atoms
surface tension
cohesion

solid
density
liquid
water vapor
plasma

Lesson 2 Day 2

water cycle
evaporation
condensation

precipitation
plasma

Lesson 3 Day 1

oceanography
sonar

submersible
scuba

Lesson 3 Day 2

unexplored
lava

magma
eruption

Lesson 4 Day 1

salinity
microorganisms

desalinization

Lesson 9 Day 1

9A

glue

Life in the Ocean Shutter Fold
Page 1

Lesson 9 Day 2

9A
